Cognoscite ex litteris publicis hominis amplissimi diligentiam. Recita. rationes relatae P. Servili. Non solum numerum signorum, sed etiam unius cuiusque magnitudinem, figuram, statum litteris definiri vides. Certe maior est virtutis victoriaeque iucunditas quam ista voluptas quae percipitur ex libidine et cupiditate. Multo diligentius habere dico Servilium praedam populi Romani quam te tua furta notata atque perscripta.

* Indicates optional information.
